

Anglican Chaplaincy of Midi-Pyrénées & Aude

Report for Archdeaconry Synod 2017

Having been blessed by our chaplain Andrew Hawken's ministry for 6 years it was a real wrench to say Goodbye to him in October. Every worship centre in the chaplaincy was represented at Andrew's licensing in East Grinstead on the 3rd of November – it was tangible recognition of the esteem in which he is held.

We are now in Vacancy and greatly appreciating the prayerful and practical support of our Clergy and Readers, and our Archdeacon Fr Meurig Williams who licensed Malcolm Rigley to serve as Reader in this chaplaincy at the AGM on 30 April.

During the year we have worshipped and worked together.

In addition to our charitable giving – 11% of our income - we assisted several needy people in the chaplaincy, including our refugees in Cahors and Montauban.

Christmas presents for our young refugees in Cahors.

We helped to fund driving lessons for Animesh, a member of the Toulouse congregation, who has now passed his driving test – the smile says it all.
