Legacies

For Christians, our giving is an outworking of our love for God, and also our church and our community, responding to His abundant generosity. It is part of our worship and discipleship journey. We seek to build a generous church and a generous people.

- Building relationships what you want *for* people (to know Christ, to deepen their faith) not just what you want *from* them (their gift). Faithraising/fundraising.
- Ensure you have a good leadership foundation.
- Leadership/core church community/some 'friends' will give regularly. How do we encourage them in their journey of financial discipleship/generosity? How do we encourage people to give in the most efficient way (whether £ Sterling/Euros)? Swallows?
- Wider groups more likely to give one-off gifts to particular projects. Communication is key. What do we want to say to them about the work of the church? How do we communicate with them? Why might they give? (History, building, focal point, sacred space, thanksgiving, community work, social causes etc.) And if they want to make a gift, how easy is it for them to do so? Do we have the right mechanisms?

Giving in uncertain times...

- Biblical teaching: grace of giving; widow's mite; recognising all that God has blessed us with, and through a desire to bless others; think, pray, reflect; uncertain times draw us closer to our Lord
- Thanks & thanksgiving: we encourage you to remain committed to giving
- Acknowledge concerns, be sensitive and compassionate:many of us are/may be currently experiencing significant levels of uncertainty in our finances
- We give as a church family for a common purpose: we are called to be disciples in good times and bad
 times of hardship bring together people with needs, and people with a willingness to share;
 churches can provide leadership in their communities, demonstrating Christ's love in practical ways.
- The need: post pandemic & cost of living means that...
- The impact: your giving make a real difference e.g. last year...
- Church's financial needs going up too...: our finances are similarly uncertain; such times unlikely to be short-term

Average number of children attending Noah's Ark playgroup each month Café Church, our informal drop-in for tea and cake, takes place every Saturday morning 10am-12noon

including over 650 on Christmas Eve!

I am looking to create something similar in a free design programme 'Canva', which can then be adapted for each chaplaincy.

THANK YOU!

Thanks to all the time, skills and money we've all generously given over the last year, we've done some amazing things to serve God and our community

- Offered a warm and safe return to all our church services
- 800 people welcomed to St XX's during our Christmas events
- 3 fun days for local families with a total of 200 people
- 135 people coming into church to see the funeral of Her Majesty the Queen on our large screens
- 21 boxes of food given to local hospices during Harvest
- 21 number of families in need helped by our foodbank appeal
- 1 church roof repaired
- 3 concerts with 450 people enjoying some great music
- 52 church newsletters so we all know what's going on!
- 6 small groups met through the year, deepening our discipleship
- 4 baptisms held
- 15 visits to local schools, speaking to 1000 children
- 10,000 cups of tea/coffee served after church
- 250 hours of cleaning our beautiful church building
- £5,600 given to support our chosen mission agencies & charities
- 1 very large heating bill paid so our church can be a warm and welcoming place for everyone in our church family and our local community.

This was created in 'Canva' but I can also make this into a powerpoint slide that you can insert text over, if that's easier.

Name Address

August 2022

Dear Christian name,

We are writing to thank you most sincerely on behalf of all those who worship at St Edward's Church, for your continued and great generosity over many years, which has contributed to keeping our Anglican "Light on the Hill" burning bright.

During this Interregnum period, with all its challenges, your support and your presence is a warm encouragement, as we look to the future.

Thank you *name*, and may God bless you.

Questions?

26 responses from the Archdeaconry of France

Does your chaplaincy have a vision or mission statement that is shared in meetings, newsletters, website etc.?

- 7 we have no vision/mission statement
- 6 we have a statement but we don't think it is shared effectively enough
- 4 we are in the process of revising ours
- 8 we have a statement and it is well-known
- 1 shared in annual reports/accounts

Vision

We are not saying, "Please, could you help us out because lately it has been hard." ... rather we are <u>declaring</u>, "We have a <u>vision</u> that is amazing and exciting. We are <u>inviting</u> you to <u>invest</u> <u>yourself</u> through the resources God has given you – your <u>energy</u>, your <u>prayers</u> and your <u>money</u> – in this work to which <u>God has called us</u>."

A Spirituality of Fundraising

To what extent do you think people understand why your chaplaincy needs money, and how it pays for mission and ministry?

- 2 probably not all
- 7 a few people do
- 14 most people do
- 1 regularly communicated but many people still don't understand that we receive nothing from the CofE
- 1 people understand that we receive nothing from the CofE
- 1 our chaplaincy council, leaders etc definitely aware

Do messages on giving, finances & stewardship form part of your services/activities eg sermons, treasurer talks, notices etc?

- 2 weekly on our news-sheet
- 1 adhoc, when appropriate
- 13 within the last six months
- 6 within the last year
- 1 within the last 3 years
- 2 normally yes
- 1 no

Do you send out a regular personal thank you letter to each of your planned givers?

14 – every year

3 – some years

4 – hardly ever

4 - never

When did you last ask members to review their planned giving?

- 17 within the last year
- 5 within the last three years
- 4 don't know

Can people find information on your website about giving/donating to your church and can they give electronically in your chaplaincy?

- 11 all information
- 10 some information
- 1 not sure
- 4 we have an online donation button
- 4 we have/are about to have a contactless card reader
- 1 no website

Point your camera to donate to St Andrews QR codes can be used to direct people to your website/online donation page etc. (NB - it was)pointed out that there have been some instances in the UK where fraudulent third party stickers have been placed over original church QR codes. I will investigate this.)

Choose TWO areas of giving/fundraising that you would like support with over the next year...

- 13 Regular giving
- 9 Project fundraising
- 6 Legacies
- 5 Online
- 7 Contactless
- 2 Vision/mission

Fundraising Questionnaire comments...

- "We have a very itinerant membership, so fund raising is very difficult."
- "We would like to increase the number of regular givers and make it easier to give electronically so we don't need to deal with cash collections."
- "We need to get people who give by standing order to increase the amount regularly... but despite yearly even six monthly appeals, the amounts have barely budged for 6 or more years."
- "We have an electoral roll many members of which do not attend church regularly and do not assist the church financially."
- "We are happy with our finances. Our income allows us to cover our costs and make donations to local charities."
- "Need to increase regular attenders (following Covid drop-off) and so givers..."

Fundraising Questionnaire comments...

- "We'll review planned giving and expenditure when our new chaplain arrives."
- "Our priorities are to introduce contactless giving in the church and to raise money for necessary infrastructure projects."
- "Our finances recovered after Covid but we need to build up our reserves after digging into them over the Covid years."
- "We want to increase the number of regular givers to enable us to have more resources in providing better and more consistent ministry in our chaplaincy."
- "Looking to increase numbers of regular givers. Current members old. With Brexit fewer Brits likely to retire full-time here. Funding for future capital projects a concern."

Discussion time...

- Has anything struck you?
- What is your church doing well in fundraising?
- What is your number one 'take-away' so far?

What next? Five goals...

Hopefully some achievable goals for all chaplaincies, ensuring there is a good foundation in place re communications, good practice and planned giving

- 1. Thank people
- 2. Communicate what people's generosity/giving enables
- 3. Analyse your income streams
- 4. Maximise current giving streams
- 5. Plan a giving review
- 6. If you have completed the above, then there is an additional Chaplaincy healthcheck for churches to consider

Gifts in Wills

A quick note about legacies as this came up in discussions. It's a complex legal area and requires some very careful research and consideration regarding communications. Thank you to those chaplaincies who have already offered some helpful leads. This area will be looked at in due course.

What next?

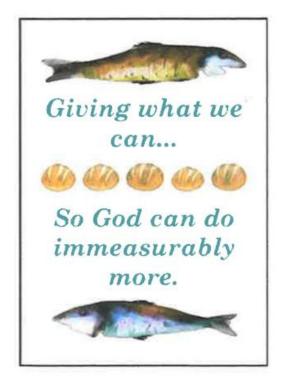

- Fundraising newsletter
- Resources and case studies on Google Drive coming soon
- Zoom webinars on running a Chaplaincy Giving Programme/Gift Day (March onwards) sharing good practice and chaplaincy examples
- Digital giving pilot online & contactless March onwards
- Diocesan Contactless Giving Project 2024 the Church of England will be offering, and the supporting the set-up of, 30 high-quality contactless devices to this diocese for free if the pilot is successful
- Other areas eg Project Funding will be looked at in due course
- Co-working! Please share any materials you produce (I can make them 'anonymous' if preferred see next slide for examples)
- Juliet is happy to work with individual chaplaincies

'Loaves and Fish'

It's about God's generosity to us
It's about our open handedness to God
It's about following Jesus
It's about our giving what we can – So God can do more.

The **collection** taken at our 10am Service is a way to show your appreciation to God for all that he has provided in the week.

Donations are irregular in nature, and ideal for those who cannot commit to a regular pledge, but who want to support God's work through us when they are able to.

Pledging is your commitment to our work and the future of our Church. It is a promise to give a regular amount to the Church.

2 Corinthians 9:7: Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.

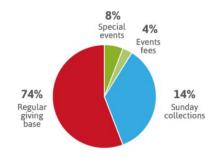

Extracts from other churches' communications

Did you know?

It costs about 100,000 euros a year to run St. George's Church.

Where does the money come from? Only from the congregation! We have no other source of income.

How do we spend it?

- Youthwork 4%
- Building upkeep and utilities 15%
- Outside commitments: 10% to charities and missions
- 8% for the wider work of the Diocese in Europe
- Church administration 19%
- Chaplain ministry 44%
- Currently everything we receive covers essentials.

Good financial stewardship
